Volume 1, Issue 37

Fall Enrollment

Seats are filling up fast. Be sure you have completed your paperwork if you plan to return next fall. If you have friends or family who are interested in a seat for the fall, Please contact the school office 465-1302.

Refer a Friend

Invite your family and friends to check out our great school. For each new family that mentions your name and enrolls you receive \$5.00 off your school fees. For each child that is still enrolled during the 3rd Friday count in September You will receive an additional \$10.00 off your school fees.

Summer School

Reminder for enrolled students

Summer session will be held June 15, 2009 through July 23, 2009
Monday– Thursday 8:30AM –11:30AM. Registration is now closed.

Uniform Exchange, July 11, 2009

The PAC is sponsoring an uniform exchange. Parents will be able to get credit for their used uniforms that don't fit and are in good condition. Those credits then will be used on July 11th to exchange for used clothing that will fit your child this coming year. Please complete the attached form and send that form in along with the laundered clothing items that you want to exchange by June 10th. If you have questions please contact the school office at 465-1302.

Summer Reading

Studies have shown that students tend to lose reading and math skills over the summer. To help your child retain what they have learned this year, our teachers have sent home packets with summer work. Please work with your child on the packet each week and encourage them to spend time every day reading.

The Public Library also has a great super reading program for kids and teens. As they read ,they complete levels and win great prizes. Visit your local library or www.mpl.org for details and links to fun learning sites. Also the library provides free weekly programs. (see Back)

Enjoy your summer together and **READ READ READ!**
