

Family Involvement Guide 2017-2018

Families are a critical component of every school community. Capitol West Academy is dedicated to involving families. We have developed a three-tiered approach to facilitate family involvement.

Level One: Communication

- Ensures regular attendance and participation in the education experience of the child
- Communicate daily through report system (passport system)
- Participates in fund-raising activities
- Attends mandatory school functions

Level Two: Partnership

- Helps child at home with school work and other assignments
- Keeps close contact with teachers on child's progress
- Communicate daily through report system
- Helps at school and attends school functions
- Participates in fund-raising activities

Level Three: Life-Long commitment to learning

- Prepare their children for success in high school and beyond.
- Support child's academic, social and emotional development through interaction and regular "study" support at school and home and in the community
- Works as a team with teachers and other support personnel to create a positive learning environment
- Communicate daily through daily report system
- Works as a team with teachers and other support personnel to create a positive learning environment
- Demonstrates dedication and importance of their child's education success through school involvement (PAC, school outings, Boards, committee's etc.)
- Demonstrates their commitment to education by seeking education opportunities for themselves through mentoring, workshops, etc.
- Participates in fund-raising activities
